

COMPRESSOR SELECTION

Quick Reference Guide

- › **Pressure**
350 to 7000 psig
24 to 483 bar
- › **Capacity**
3 to 240 scfm
85 to 6800 l/min
- › **Power**
3 to 150 hp
2.2 to 110 kw

BAUER compressors are field-proven in a multitude of diverse high pressure applications worldwide. More than 60 years of experience and research and development are available to you to help solve your high pressure air or gas requirement no matter if it is a common or unique application. BAUER is recognized as the world's foremost innovative designer and manufacturer of high pressure compressors of the highest quality.
